

## Monthly Late Fee

### Candlewood Ridge/Carriage Wood Homeowners' Association

The Board of Directors have decided to charge a monthly late fee in the amount of \$25.00/month in addition to the delinquent interest currently charged on late dues payments. The \$25.00 will first be charged at the same time that the delinquent interest would accrue. This timing is established in the CR/CW HOA governing documents: Dues are considered delinquent 30 days after the due date; interest accrues and the monthly late fee will be charged 30 days after the dues become delinquent.
